EDUCATION

2008-2023

VIVEKANANDA MATRIC.HR.SEC.SCHOOL

- Percentage: 90.33 / 100

Sirkali

2023-2027

SRI KRISHNA COLLEGE OF TECHNOLOGY

- B.E Computer Science and Engineering
- CGPA: 8.06 / 10

Coimbatore

SKILLS

- Project Management
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English
- Tamil

PROFILE

Motivated second-year Computer Science and Engineering student with skills in Python, Java, and C++. Strong understanding of data structures, algorithms, and software development. Quick learner with a passion for web development, AI, and machine learning. Seeking opportunities to apply my skills in real-world tech projects through internships and hands-on experiences.

TECHNICAL SKILLS

Programming Languages

- Strong understanding of OOP concepts with experience in C++, and Java.
- Good knowledge of data structures such as arrays, lists, and strings.
- Familiar with exception handling and multi-threading in Java.

Web Development

- Good knowledge of HTML and CSS for building and styling web pages.
- Basic knowledge of JavaScript for adding interactive elements to web applications.
- Understanding of React for building dynamic user interfaces.

Database Management

- Good understanding of DBMS concepts and SQL for managing and querying databases

Tools and Frameworks

- Familiar with using React for developing web applications.
- Understanding of version control systems (e.g., Git) for code management.

UI/UX Design

- Familiar with user-centered design, wireframing (Figma) and responsive design

CERTIFICATES

Data Structures and Algorithms

Infosys and Springboard

Introduction to HTML

Coursera

Exploring the Relationship between
UI and UX Design

Infosys and Springboard

Java Foundation Certification

Infosys and Springboard
